## **Tournaments and new games join Fun4Four**

TAB Austria is the leading B2B supplier of betting, gaming and amusement products. To complement its offerings, TAB-Austria unveiled Version 9 of their high performing amusement table Fun4Four, launched new games, a new two player shooting arcade and on top a brand new tournament system for Fun4Four at this year's ICE. A powerful package of new products for operators, those are seeking opportunities beside gambling and betting.

Visitors were able to enjoy all the new games of Fun4Four, Bomblings Battle, Cubex, Inca Trail and Fling that will be available for OTM (Online Terminal Management) operated tables in the coming months. These new games will contribute to a total of 63 games that are available within the huge game library of Fun4Four. In addition to its amusement products, TAB-Austria launched a brand new shooting arcade. Trapshoot is an innovative two player arcade featuring seven shooting games including Don't Panic, Deer Hunt, Granny Smith, Mighty Ducks to name a few. Additionally, Max Fire HD – the most advanced in-venue music system - entertained visitors at the traditional bar which offered an infectious mix of passion and business.

Every year clients confirm that our amusement products provide the best opportunity to enhance operations in strong regulated markets. They are easy to install, easy to move and perform excellent, said Siegfried Dattl jun.

The stand which was perfectly situated between the sports betting and the gaming village offered visitors best Austrian hospitality alongside the very latest developments for the betting, casino and pay-to-play industries.

ICE is the place networking is done, where ideas grow and where conversations are all about the future. No other trade show in the world provides that opportunity for business development and to see the very latest developments in the industry. It very much defines our year ahead and we had excellent negotiations with convincing new and existing customers in all our core markets be it betting, gaming or pay-to-play, he continued.
