

Music and videos can be downloaded from every **MAX FIRE Jukebox** for entertainment to go

From now on, the latest songs are not only available in the CD racks but also as downloads for mobile phones, MP3 players or USB sticks from every MAX FIRE Jukebox with the download feature "Music to go".

Enjoy your life with music. TAB-Austria has been setting big steps by lively music marketing for years. For over 15 years, TAB-Austria has been producing and developing jukeboxes for the entertainment industry. With its global network of MAX FIRE Jukeboxes, TAB-Austria has been betting on technical innovations again and again and now offers new selling opportunities for the music industry.

Music experience by finger touch

Music entertainment to go is in vogue. "Music to go" is the name of the latest development and the magic word of TAB-Austria. It is a download feature which is unique for jukeboxes world-wide. "Music to go" enables a direct transfer of music and videos. By Bluetooth or USB interface you can quickly load the latest songs and videos on mobile phones, MP3 players or USB sticks.

MAX FIRE Jukebox "Music to go"

The highlights, the bestsellers and the most wanted music. Currently over 4 million songs and videos can be downloaded from the MAX FIRE Jukebox with the download feature "Music to go". Even the latest and twelfth studio album of U2 "No Line On The Horizon" and also the latest hit album of Mando Diao "Give Me Fire" are ready for download. Whether at home, at work, on the road or in the gym, from now on you can load your favourite songs from Lionel Richie, Rihanna, U2 or Mando Diao from the MAX FIRE Jukebox to your mobile phone, your MP3 player or your USB stick, without annoying registrations or using a credit card, any time and everywhere.

As a result, the MAX FIRE Jukebox becomes a well-stocked specialist shop for records.

The latest releases from artists of all kinds of music are added to the data base every day. The charts function is also unique on an international scale and you have access to our own MAX FIRE Jukebox Chartlist in addition to the USA Hot 100, the UK TOP 75, the German Top 100 and the Austria Top

40. Whether on a national or international level, the MAX FIRE Jukebox always shows and plays the cool and hip songs.

Download without registration, simply "music to go"

Enter the first letters of the song title or of the artist's name directly in the MAX FIRE Jukebox. You can download your song or your video quickly without registering or using a credit card.

Activate the "Bluetooth" function on your mobile phone or plug the MP3 player or the USB stick in the respective slot of the MAX FIRE Jukebox. Select your song or your video on the touch screen, and the song is ready to play.

Currently there are over 6,000 jukeboxes installed all over Europe by TAB-Austria, and they will be equipped with the download feature "Music to go" step by step from now on.

Dattl Unterhaltungselektronik GmbH & Co KG, a subsidiary of TAB-Austria, operates 500 jukeboxes in Austria.
