## Show knowledge and skills with Reactor Fusion

Fast responses and sharp eyes will make you a winner in Reactor Fusion. Up to six people can play against each other in this multiplayer game for Fun4Four. It is the latest game added to the huge collection which includes Lost Treasure, Laser Hockey, Two of a Kind, Roulette and many more. Currently more than 50 games in different categories and the brand new mobile feature boost the fun factor in every site.

Reactor Fusion is designed for a fast and interactive gameplay and develops mental processing skills in a funny and entertaining way. Players have to solve 10 from 19 randomly chosen tasks. The aim in Reactor Fusion is to be the first to solve all the tasks. The game appears to have simple rules, but watch out – the challenge is harder than it seems.

The more players there are, the harder it is to score, but the more fun you will enjoy. This thrilling game will keep you occupied for hours and trains your reflexes and concentration.
