FEATURES	3
1. LOG IN TO THE OTM	4
2. TESTMODE	4
3. REGISTER	5
4. TAN CODE	6
5. OTM	7
NOTES	8

This technical information describes how you can register a terminal to the **ONLINE TERMINAL MANAGEMENT!**

A detailed overview for the OTM features can be found in the **OTM Manual** which can be downloaded from this [LINK](#)

Features

- **Premium Games!**
 - Each Silverball XP or PRO terminal gets a new Top-Game ever month complete automatically!
- **Online Music shop (only for MAX terminals)**
 - Choose from more than 100.000 titles mp3 or videos and send them to your terminals!
 - Order an Abo which will send you automatically new hits to your terminals!
- **Online Service**
 - Create a statement for all locals!
 - Create a statement for all terminals!
 - See how much money is in the desk!
 - Upload your own created advertising pages and send them to the terminals!
- **Online Tournament**
 - Create your own tournaments! You decide!
 - Take part automatically on national and international TAB tournaments!
- **Terminal and license management**
 - Check each file with Log-files!
 - Get software-updates automatically!
 - Set the **ONLINE VERSION PLUS** free – terminals gets always the newest software without changing the dongle!
 - **OVP** - This means, that the machine will automatically switch from the dongle version to the newest version after start!
- **Support / Updatedisk download**
 - Download always the newest Updatedisk for your products!

1. Log in to the OTM

- 1) With the link www.tab.at/otm you get directly to the OTM Login page. If you do not have an OTM account, you can register one. Detailed information can be found in the **OTM Manual** which can be downloaded directly here: [LINK](#)
- 2) Choose „TAN Codes“ (picture). Each terminal needs 1 TAN Code. With this code the terminal is part of your OTM account!

Our test offer:
For the first month, the OTM licence for Fun4Four and the OTS licence for Silverball and Max Fire Jukebox for each terminal will be free of charge!
